## JA71-Sx17 Sideways Dzus Mounting Plate

### Data Sheet

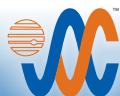

JA71-S017  
Shown with J301A

### Description

The JA71-Sx17 enables Dzus rail products to be mounted 90 degrees to the aircraft's original rail system. Crew members can now access normally unusable rail space. Equipment control and legends can be viewed comfortably without strain.

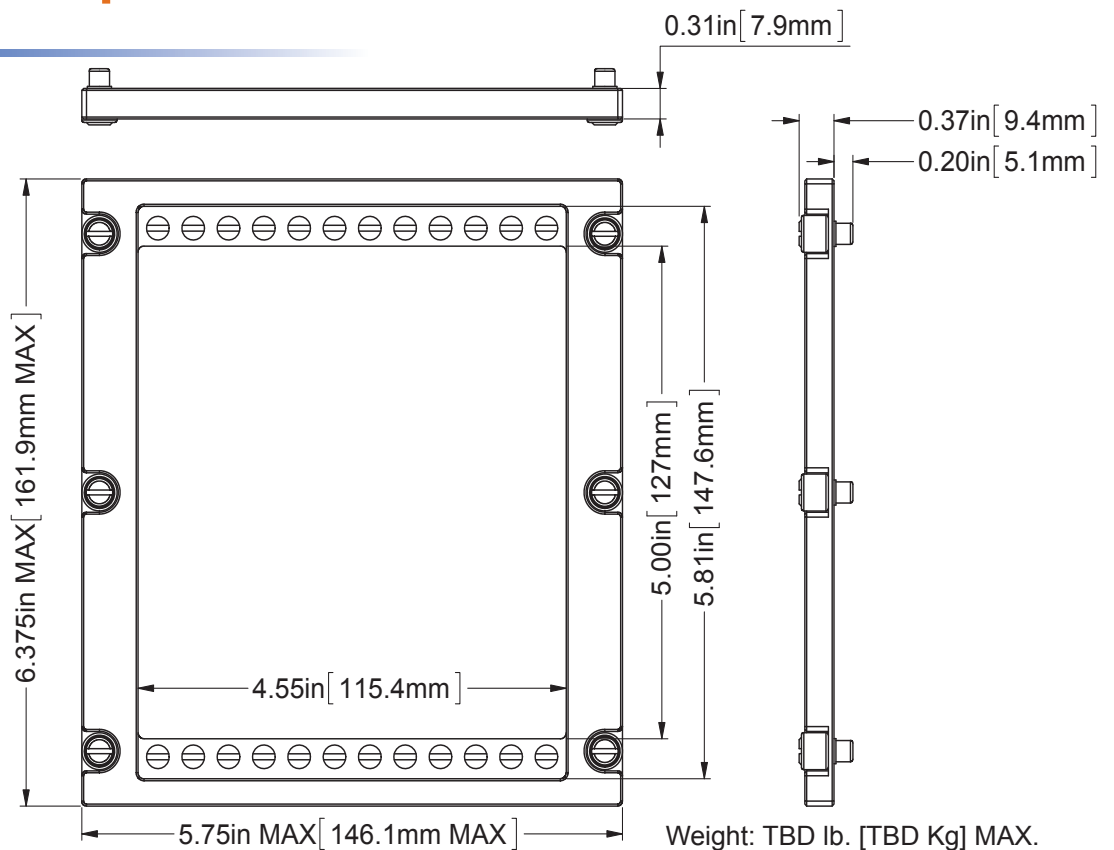

### Features

- Lightweight
- The JA71-Sx17 is painted with a baked-on flat black (or gray) urethane finish to resist scratches and nicks.

# JA71-Sx17 Specifications

## Installation
